Since 2001, the SRCS has presented over 40 concerts in the local area, ranging from a traditional Christmas concert each year and repertoire that includes classical, opera, folk, traditional and pop music. The Society awards annual scholarships to high school and college musicians and has sponsored benefit concerts for 9/11 charities, autism awareness and wounded veterans. In 2010 the Society created the Stafford Regional Children's Choir and featured these talented young singers in the 2010-2011 season including a debut concert in June 2011.
